

WHO WE ARE...

PIVOVAR

Pivovar started out back in 2005 as a specialist beer importer and beer distributor. Founders Jamie Hawksworth & Jon Holdsworth found it difficult to sell to pubs in a market dominated by big brands, commodity beers and tied lines, so decided to do it themselves and opened our first pub, the much loved Pivni located in York.

In the years that followed, Pivovar has flourished and our ever expanding range of venues have become a benchmark for excellence, where beer drinkers know they will receive a warm welcome and be able to choose from the best UK & international beers – in short, places that Jamie & Jon themselves want to drink.

The Thornbridge story began back in 2005 when our founders Jim Harrison and Simon Webster recruited two young brewers to brew on a second hand 10-barrel kit in the grounds of Thornbridge Hall. A few months later Jaipur IPA was born and catapulted Thornbridge Brewery to become one of the leaders of the UK Craft Beer scene.

Thornbridge have always brewed the finest quality beer with a passion. We recognise that not only quality but consistency and innovation are key to creating amazing and beautifully balanced beer. Consistently pushing boundaries whilst respecting the important traditions of 'Crafting' beer helps us to create an award winning range of beers loved by our customers all over the World. With over 350 Industry recognised awards we are proud to be part of such an exciting Craft Beer scene.

Having worked together since 2009 Thornbridge and Pivovar decided in 2017 to create Thornbridge and Co., with a vision to create beautiful and welcoming pubs nationwide. Thornbridge and Co. pubs incorporate the Thornbridge brand values, provide an excellent selection of beers, wines and spirits in a comfortable, picturesque and friendly setting. The pubs all endeavour to become an integral part of local communities.
